

Espresso Brewers & Accessories

To cultivate a history of passion and quality to fill every single cup of coffee with enjoyment

HAUSBRANDT

A PASSION FOR COFFEE

Decades of experience in coffee processing combined with passion and the use of technologically advanced machinery permit Hausbrandt to offer its clients a range of outstanding blends. From 100% Arabica to decaffeinated, Hausbrandt selects, processes and packages the best blends from around the world, achieving a constant standard of quality. This is Italy's finest coffee.

Ask your DiCarlo Sales Consultant for a tasting opportunity with our Hausbrandt Specialist.

Moka Espresso Arabica Tin
#360424 12/250gr.

A particularly pleasing blend of selected 100% Arabica coffees with a characteristic sweetness. The sweet, enveloping aroma and light body make this coffee difficult to resist. Thanks to its particular grind, this coffee is ideal for use in moka coffee makers.

Ground Espresso Decaf
100% Arabica Tin
#360416 12/250gr.

A delicate blend of selected 100% Arabica coffee, distinguished by its subtle coffee aroma, accompanied by pleasing notes of dried fruits. Thanks to its particular grind, this coffee is ideal for use in moka coffee makers.

Columbus Gourmet
Espresso Tin
#360428 12/250gr.

Columbus Gourmet combines the quality and the superiority of pure Arabica, with the desire for a sweet taste and balanced suitable for any time of day.

Ground Espresso Pods
Decaffeinated
#360412 72/7gr.

72 single-serving pods of roasted, ground decaffeinated coffee. The undeniable pleasure of good coffee, delicate yet extremely enjoyable, with a caffeine content that is no higher than 0.10%.

Ground Espresso Pods
360420 144/7gr.

A package of 144 individually-wrapped, single-serving pods containing a blend of high-quality roasted and ground coffee.

Whole Bean Espresso - Gourmet
#360400 6/1000 gr.

A blend of selected 100% Arabica beans, with spicy and citrusy notes. The delicate sweetness and refined acidity make this a prized and sophisticated coffee, for palates that seek truly unique sensations.

Whole Bean Espresso - Classic
#360418 6/1000 gr. 60% Arabica

A coffee with decisive characteristics. The presence of Robusta gives the coffee good body and an unmistakable aroma of toasted bread and biscuits, with an almost imperceptible acidity.

Whole Bean Espresso -
H.Hausbrandt
#360422 6/1000 gr. 80% Arabica

A sweet, spicy coffee with medium body and medium acidity. The sweet, pleasing taste is distinguished by notes of hazelnut and cocoa.

Whole Bean Espresso - Superbar
#360426 6/1000 gr. 75% Arabica

A full-bodied coffee with a barely-perceptible acidity. The prevailing roasty aroma has notes of baked desserts. Hints of bitter cocoa and liquorice are perceptible in the aftertaste.

Whole Bean Espresso
- Decaf
#360406 6/1000 gr.

A delicate blend distinguished by its subtle coffee aroma, accompanied by pleasing notes of dried fruits, sweetened and enlivened by scents of chocolate.

Whole Bean Espresso - Columbus
#360430 6/1000 gr.

From the finest selection of beans and the skillful combination of flavorings and fragrances noble Arabica Colombian, born Columbus Gourmet, the new 100% Arabica blend that extends and renews the offer of mixtures Top Hausbrandt.
